Component of Assessment

Presentation

5 points -----
Keeps the audience engaged,
and uses clear and
effective communication to
present topic.

1 point
Presentation is not cohesive;
is unclear what the topic is about
and group struggles to keep the
attention of the audience.

Score:

Research

5 points -----
Thorough research
and facts have been gathered.

1 point
Minimal research
and facts have been gathered.

Score:

Group Work

5 points -----
Students worked together
in the computer lab and during
the presentation. Work load was
shared equally.

1 point
Work load was not equal between
all the members of the group. Group
did not co-operate
